Apostille of the Ministry of education Apostille on passport copy apostille passport - 1 working day Apostille of management of the Ministry of justice the Ministry of justice Apostille Legalization and apostille of diploma certificates and other documents of educational institutions Apostille Interobrazovanie Translation and certification of documents by a notary for Apostille Our translation Agency provides services of Apostille and consular legalization of documents. Documents issued in one country usually have legal effect only within its territory. If you plan to travel abroad you should think about the legalisation of documents. Only after this legal procedure, they will acquire legal force in another country. Especially it is necessary to implement the legalization in the preparation of documents for immigration for marriage with a foreigner opening an account in a foreign Bank purchasing property or opening a business abroad and so on. There are several types of legalization of foreign documents is the most difficult exercise of consular legalization. It in modern conditions more and more often replaced by a simplified one in which the legalization of documents is performed by the apostille. This kind of give legal force by means of a special stamp Apostille Apostille was adopted by a number of countries have signed the Hague Convention in 1961. Therefore, this kind of the legitimacy of the documents is not recognized in all States, although their number is constantly increasing. Legalization by apostille is accepted in Germany France Switzerland UK Austria word in almost all state formations in Europe and in many countries of other continents, the US Australia, Argentina, etc. Our country has signed the Hague Convention in 1992. Apostille is a special stamp the model of which was developed at the Hague conference of 1961 and applied to the adopted Convention. The Apostille shall be in the form of a square with sides of 9 or more inches. On the stamp is clearly defined text including such details as the name of the state in which the apostille is affixed, the name and position of the person who signed the document certified by apostille name of the institution stamp or seal which is affixed to the document certifies the apostille the name of the city where the apostille was affixed and the date of affixing. In addition, the apostille must be recorded information about its number the name of the public authority
